Understanding Penelope Fitzgerald-Peter Wolfe 2004 "With readings of a broad range of her published works, including her final novel, The Blue Flower, Wolfe describes the Fitzgeraldian world as a subtle, unobtrusive universe. He maintains that the novels, though plain and narrating at first places, grow fuller, stranger, and more stirring the more we invest in them. He details Fitzgerald's skill at sequencing events so as to unsettle readers and her ability to enhance motifs by not leaning too hard on them. Wolfe suggests that Fitzgerald's refusal to overlay effects and emotions, while at first puzzling in its disson for drama, turns out to be one of her chief virtues, for she enables larger associations to emerge as she keeps big dramatic scenes from interfering with wider patterns."--BOOKJACKET.

Ulysses-James Joyce 2018-04-11 Absurd, brilliant and profound, The Abbey Theatre's production of Derryl Bolger's adaptation of Joyce's masterpiece is Ulysses as you never imagined it before; a superb theatrical homage to Joyce's chronic of Dublin life and the greatest novel of all time. With his wife Moby waiting in bed for the saleable Blows Boylan, Leopold Bloom travels Dublin, conversing in pubs, graveyards and brothels, enraging middle-class and provincial prejudice as he steadfastly clings to his principles and subtly slays his dragons while drawing ever closer to his fatal encounter with the young Stephen Dedalus. As directed by Graham McLaren, Bloom's odyssey is a pandemonium of live music, puppets and clowning: a production that, in the words of The Arts Review, "delves into the arms wide open and ladles everyone welcome". Ulysses is hilarious, hilarious and affecting in celebrating Joyce's genius for depicting everyday life in all its profundity, with The Sunday Herald remarking that "Derryl Bolger's beautifully crafted adaptation (carefully and coherently selected from the fiction) has a palpable love for the sensuousness and abundance of Joyce's language.
