The Battle of Maldon-Janet Cooper 1993 The Battle of Maldon in 991, fought at Northey Island in Essex, both inspired the most important Anglo-Saxon poem after Beowulf and has itself been the subject of extensive historical investigation and speculation. The Battle of Maldon: Fiction and Fact brings together specially commissioned essays by leading literary, archaeological and historical scholars to provide a rounded and detailed account of the battle based on the most recent scholarship.

Return of the Vikings-Donald Scragg 2006-11-01 On a day in August, one thousand years ago, a fleet of ninety viking ships sailed into the estuary of the Blackwater river, Essex. Fresh from the
ravage of Ipswich, under the command of the king of Denmark, they were intent no doubt on the rich spoils to be had from the royal Mint of Maldon. This is a history of the battle of Maldon. Depicting one of the defining conflicts of tenth-century England, The Battle of Maldon immortalises the bloody fight that took place along the banks of the tidal river Blackwater in 991, poignantly expressing the lore and language of a determined nation faced with the advance of a ruthless and relentless enemy. But, as Mark Atherton reveals, The Battle of Maldon is more than a heroic tale designed to inspire courage and unity in a time of crisis: rather, it celebrates ideals of loyalty and friendship and commemorates an event which changed the face of English culture. Using Atherton's own vivid and illuminating translations from Old English, The Battle of Maldon: War and Peace in Tenth-Century England evokes the chaotic ebb and flow of the battle while also placing 'Maldon' in the context of its age. Seeking to reconstruct the way of life, the spirituality and the worldview of the original audience, Atherton examines how and why the poem encouraged its readers to relive the visceral experience of battle for themselves. With this exciting study, Atherton provides an authoritative treatment of this iconic text, its history and its legacy. As such, this important book will be a vital resource for all readers of Old English literature and early medieval history.

The Battle of Maldon- 1937
The Battle of Maldon, and Other Old English Poems-Kevin Crossley-Holland 1981
The Battle of Maldon-D. G. Scragg 1981
Byrhtnoth at the Battle of Maldon-Robin Campbell 2016-06-23
‘Byrhtnoth stood like a statue at the end of the low promontory. His stillness matched the day. But all of that was about to change.’ Byrhtnoth at the Battle of Maldon relays the story of the mighty Saxon leader as he leads his army against marauding Vikings, in an attempt to defend his homeland of East Anglia. In a battle of both heroism and cowardice, it is the sheer determination of their
leader Byrhtnoth that is recalled to this day. Aimed at children aged 8 - 12 years, this story will open their eyes to the nature of battle in the year 991 when a very large force of Danes prepared to attack the Essex coastline in Maldon. Byrhtnoth would not agree to pay the requested tribute of silver to avoid battle, instead setting up a small army by the narrow causeway across the river from the Danes. Arrows, spears and swords were thrown by both sides in the ferocious battle of Maldon. This work of fiction brings together historical truth and the excitement of battle to teach children about the history of England, the Saxons and the invasion of the Vikings. Inspired by the work of Michael Murpogo, Byrhtnoth at the Battle of Maldon will appeal to children who enjoy historical novels and who are looking to learn about history in an exciting manner, as well as fans of Robin Campbell’s previous books, Running One Thousand Miles and Gallipoli Guns. The Battle of Maldon-Sarah Elizabeth Miller 2013

The Battle of Maldon-Walter John Sedgefield 1904
The Battle of Maldon- 1925
A Choice of Anglo-Saxon Verse-Richard Hamer 2016-06-30 A Choice of Anglo-Saxon Verse contains the Old English texts of all the major short poems, such as 'The Battle of Maldon', 'The Dream of the Rood', 'The Wanderer' and 'The Seafarer', as well as a generous representation of the many important fragments, riddles and gnomic verses that survive from the seventh to the twelfth centuries, with facing-page verse translations. These poems are the well-spring of the English poetic tradition, and this anthology provides a unique window into the mind and culture of the Anglo-Saxons. The volume is an essential companion to Faber's edition of Beowulf, translated by Seamus Heaney. The Battle of Maldon-Lee I. Fenicle 2004
The Anglo-Saxon World - Kevin Crossley-Holland
1999
Beowulf, The Battle of Maldon, The Dream of the Rood, The Wanderer, and The Seafarer are among the greatest surviving Anglo-Saxon poems. They, and many other treasures, are included in The Anglo-Saxon World: chronicles, laws and letters, charters and charms, and above all superb poems. Here is a word picture of a people who came to these islands as pagans and yet within two hundred years had become Christians, to such effect that England was the centre of missionary endeavour and, for a time, the heart of European civilization. Kevin Crossley-Holland places poems and prose in context with his skilful interpretation of the Anglo-Saxon world; his translations have been widely acclaimed, and of Beowulf the poet Charles Causley has written, 'the poem has at last found its translator'.

Legend, History and Artifice in "The Battle of Maldon" - Alger Nicolaus Doane 1976
England's battlefields bear witness to dramatic turning-points in the country's history.

At Hastings, Bosworth Field, Flodden and Naseby, the battles fought were to have an enormous effect on English life. This double volume, containing Burne's famous "Battlefields of England" and "More Battlefields of England" make it possible for readers to follow the course of 39 battles from AD 51 to 1685, as if they were on the battlefields themselves.

Maldon—A History - Charles Phillips 2020-02-07
Maldon - A History is the story of Maldon, which is the second oldest town in Essex, from prehistoric times until the present day. It has information on Bronze and Iron Age Maldon, Roman Maldon, Anglo-Saxon Maldon including the Battle of Maldon, Medieval Maldon including the granting of the first charter of the borough in 1171 by King Henry 2, its monastic institutions, Maldon's port and its involvement in wars, Maldon at the time of the reformation, its involvement in the civil war, its Parliamentary representation, the town in the 18th and early centuries including the building of the Chelmer and Blackwater Navigation, the dissolution and subsequent reinstatement of the town's charter.
the Napoleonic Wars, the building of the two railways to the town in the 19th century and their closure in the 20th century, the rise of municipal institutions in the 19th and 20th centuries, Maldon’s police force and abolition and subsuming into the Essex County Police force, industrial developments including its iron foundries and salt works, Maldon during the two world wars and the abolition of the borough in 1974. Also included is the parish of Heybridge which subsequently became a part of the borough as well as the hamlet of Beeleigh. It was researched using previously published works and contemporary documents.

The Cambridge Old English Reader-Richard Marsden 2015-04-02

This reader remains the only major new reader of Old English prose and verse in the past forty years. The second edition is extensively revised throughout, with the addition of a new ‘Beginning Old English’ section for newcomers to the Old English language, along with a new extract from Beowulf. The fifty-seven individual texts include established favourites such as The Battle of Maldon and Wulfstan's Sermon of the Wolf, as well as others not otherwise readily available, such as an extract from Apollonius of Tyre. Modern English glosses for every prose-passage and poem are provided on the same page as the text, along with extensive notes. A succinct reference grammar is appended, along with guides to pronunciation and to grammatical terminology. A comprehensive glossary lists and analyses all the Old English words that occur in the book.

Headnotes to each of the six text sections, and to every individual text, establish their literary and historical contexts, and illustrate the rich cultural variety of Anglo-Saxon England. This second edition is an accessible and scholarly introduction to Old English.

Seven Old English Poems-John Collins Pope 1966

At Maldon-J. O. Morgan 2013

In early August 991, a ragtag army of Anglo-Saxons joined battle with a party of Viking raiders at Maldon on the coast of Essex. The encounter was recorded in an Old English long poem, though only the work's middle section survives. Applying a modern perspective to its heroic ideals, J.O. Morgan re-
imagines that summer's day on which some men fought, loyal to the end, and some men fled, fearing the battle was already lost. The Anglo-Saxons at War, 800–1066-Paul Hill 2012-07-19 In the time of the great Anglo-Saxon kings like Alfred and Athelstan, thelred and Edmund Ironside, what was warfare really like how were the armies organized, how and why did they fight, how were the warriors armed and trained, and what was the Anglo-Saxon experience of war? As Paul Hill demonstrates in this compelling new study, documentary records and the growing body of archaeological evidence allows these questions to be answered with more authority than ever before. His broad, detailed and graphic account of the conduct of war in the Anglo-Saxon world in the unstable, violent centuries before the Norman Conquest will be illuminating reading for anyone who wants to learn about this key stage of medieval history. The role of violence and war in Anglo-Saxon society is explored, in particular the parts played by the king and the noblemen, and the means by which, in times of danger, the men of the fyrd were summoned to fight. The controversial subject of the Anglo-Saxon use of cavalry is also explored. Land and naval warfare are central sections of Paul Hills book, but he also covers the politics and diplomacy of warfare the conduct of negotiations, the taking of hostages and the use of treachery. The weapons and armor of the Anglo-Saxons are described the spears, the scramsaxes, axes, bows, swords, helmets, shields and mail that were employed in the close-quarter fighting of the day. Among the most valuable sections of the study are those dealing, in vivid detail, with actual experience of battle and siege with the brutal reality of combat as it is revealed by campaigns against the Danes, in the battles of Ashdown, Maldon and Stamford Bridge, and sieges at Reading and Rochester. Beowulf and Other Old English Poems-Constance Hieatt 2010-05-26 Unique and beautiful, Beowulf brings to life a society of violence and honor, fierce warriors and bloody battles, deadly monsters and famous swords. Written by an unknown poet in about the eighth century, this masterpiece of Anglo-Saxon literature
transforms legends, myth, history, and ancient songs into the richly colored tale of the hero Beowulf, the loathsome man-eater Grendel, his vengeful water-hag mother, and a treasure-hoarding dragon. The earliest surviving epic poem in any modern European language. Beowulf is a stirring portrait of a heroic world—somber, vast, and magnificent. From the Paperback edition.

Viking Warrior vs Anglo-Saxon Warrior-Gareth Williams 2017-08-24 In the two centuries before the Norman invasion of England, Anglo-Saxon and Viking forces clashed repeatedly in bloody battles across the country. Repeated Viking victories in the 9th century led to their settlement in the north of the country, but the tide of war ebbed and flowed until the final Anglo-Saxon victory before the Norman Conquest. Using stunning artwork, this book examines in detail three battles between the two deadly foes: Ashdown in 871 which involved the future Alfred the Great; Maldon in 991 where an Anglo-Saxon army sought to counter a renewed Viking threat; and Stamford Bridge in 1066, in which King Harold Godwinsson abandoned his preparations to repel the expected Norman invasion in order to fight off Harald Hard-Counsel of Norway. Drawing upon historical accounts from both English and Scandinavian sources and from archaeological evidence, Gareth Williams presents a detailed comparison of the weaponry, tactics, strategies and underlying military organization of the Anglo-Saxons and Vikings, and considers the developments which took place on both sides in the two centuries of Viking incursions into Anglo-Saxon England.

Darkness, Depression, and Descent in Anglo-Saxon England-Ruth Wehlau 2019-05-20 This collection of essays examines the motifs of darkness, depression, and descent in both literal and figurative manifestations within a variety of Anglo-Saxon texts, including the Old English Consolation of Philosophy, Beowulf, Guthlac, The Junius Manuscript, The Wonders of the East, and The Battle of Maldon. Essays deal with such topics as cosmic emptiness, descent into the grave, and recurrent grief. In their analyses, the
essays reveal the breadth of this imagery in Anglo-Saxon literature as it is used to describe thought and emotion, as well as the limits to knowledge and perception. The volume investigates the intersection between the burgeoning interest in trauma studies and darkness and the representation of the mind or of emotional experience within Anglo-Saxon literature.

The Making of England—Mark Atherton 2017-01-30 During the tenth century England began to emerge as a distinct country with an identity that was both part of yet separate from 'Christendom'. The reigns of Athelstan, Edgar and Ethelred witnessed the emergence of many key institutions: the formation of towns on modern street plans; an efficient administration; and a serviceable system of tax. Mark Atherton here shows how the stories, legends, biographies and chronicles of Anglo-Saxon England reflected both this exciting time of innovation as well as the myriad lives, loves and hates of the people who wrote them. He demonstrates, too, that this was a nation coming of age, ahead of its time in

its use not of the Book-Latin used elsewhere in Europe, but of a narrative Old English prose devised for law and practical governance of the nation-state, for prayer and preaching, and above all for exploring a rich and daring new literature. This prose was unique, but until now it has been neglected for the poetry. Bringing a volatile age to vivid and muscular life, Atherton argues that it was the vernacular of Alfred the Great, as much as Viking war, that truly forged the nation.

Humour in Anglo-Saxon Literature—Jonathan Wilcox 2000 Essays lay the groundwork for a theory of humour in Old English literature.

The Battle of Maldon—D. G. Scragg 1981

The Battle of Maldon—Walter John Sedgefield 2018-10-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this
work is important enough to be preserved, reproduced, and made generally available to the public. Maldon and Brunnanburh: Two Old English Songs of Battle-Charles Langley Crow 1897
Battle of Brunnanburh-Alister Campbell 1988-05-01
Becoming a Poet in Anglo-Saxon England-Emily V. Thornbury 2014-01-30 A groundbreaking study of pre-Conquest English poets that rethinks the social role of Anglo-Saxon verse.
God, Death, and Loyalty in 'The Battle of Maldon'-Fred C. Robinson 1979
The English Warrior from Earliest Times to 1066-Stephen Pollington 1996 Covers all aspects of battlecraft for the period.
Anglo-Saxon Audiences-Eugene Green 2001 Is it possible to enter the minds of medieval people? Anglo-Saxon Audiences explores this question through the use of modern approaches in textual analysis, including techniques of functional grammar, speech act analysis, and semiotics. This book reveals how kings, councillors, and homilists tried to engage and to direct the minds of Anglo-Saxon communicants, and how poets invited their audiences to consider the minds of others as well as their own. This book focuses on legal codes promulgated from the ninth to the eleventh centuries, the homilies of Ælfric and Wulfstan, Beowulf, The Battle of Maldon, Deor, and two elegies. Its unifying theme is that Anglo-Saxon audiences welcomed texts focused on future time, a perspective that challenged them to reflect on diverse patterns of thought.
The Age of the Vikings-Anders Winroth 2016-03-01 The Vikings maintain their grip on our imagination, but their image is too often distorted by myth. It is true that they pillaged, looted, and enslaved. But they also settled peacefully and traveled far from their homelands in swift and sturdy ships to explore. The Age of
the Vikings tells the full story of this exciting period in history. Drawing on a wealth of written, visual, and archaeological evidence, Anders Winroth captures the innovation and pure daring of the Vikings without glossing over their destructive heritage. He not only explains the Viking attacks, but also looks at Viking endeavors in commerce, politics, discovery, and colonization, and reveals how Viking arts, literature, and religious thought evolved in ways unequaled in the rest of Europe. The Age of the Vikings sheds new light on the complex society, culture, and legacy of these legendary seafarers.
